

Final Concert - Adult Choir - 2016

The Florida Chapter of FUMMWA

... is a group of musicians, artists, dancers, Pastors, planners and creatives, who are passionate about Worship. We understand the value of worship in the Christian Life, and practice Traditional, Contemporary, and Emerging Worship in our churches. It is our belief that God gave different gifts in artistic performance, creativity, or teaching The Arts, to be used as we honor and present Jesus Christ.

We are a United Methodist organization, but we welcome like-minded artists from any, or no, denomination.

We accept and encourage everyone who comes to learn about and experience what may be thought of as new or different ways to worship our Lord and Savior Jesus Christ!

“COME...and You Will Go Out in JOY!”

Are you losing steam and lacking the energy to keep up with your Music Ministry? Has the thought of giving up ever crossed your mind?

Those who work in the worship arts need to be refreshed. We need to be not only **CONNECTED** to God and other worshippers, but **INSPIRED** by new materials or ideas, and **RESTORED** physically, mentally, and spiritually, so that we can continue to be creative, and help others learn more about using the arts as we worship our Lord.
